Throughout his life, Jesus served. He was a servant leader, one who was willing to get down on his knees and wash the feet of the disciples.

# Church and Community

*Bethel Lutheran Church* **Putting our Time and Talents into Action!**

*The experience of being the Church together is more than just coming before God in worship for an hour on Sunday mornings. Being a part of a church is about the communal living out of our discipleship. To truly participate in Christ's church is to be involved. We serve each other and together serve others. We learn from each other. We share the gifts God has gifted us with for the common good, and watch as God organizes these abilities to accomplish far beyond what we would accomplish by ourselves. Through these actions we form the loving community and friendships that truly make Bethel home, and form us into the Church God desires us to be.*

*We invite you to get involved if you are not, and to try something new if you're already involved. It's how we grow and how we grow the relationships that grow God's Church!*
