SUMMER CONCERT SERIES

BETHEL LUTHERAN CHURCH is getting a jump on summer with monthly concerts at 12919 NE 159th Street, Brush Prairie, beginning on May 7 at 2:00 with **FEAR NO MORE**—a celebration of English and American art song—by Ben Tissell (baritone) and James Pick (piano). Whether a classical music fan or someone simply looking to hear good music, concertgoers won't want to miss this extraordinary recital featuring the works of Quilter, Finzi, Bernstein, Clarke, Copeland and others.

THE HAPPY ACCIDENTALS, a six-man gospel harmony group formed in 2020, will share their love for the Lord and his gift of song on June 11 at 2:00. When listening to The Happy Accidentals, attendees will hear rich harmonies and various genre styles ranging from gospel to big band to contemporary Christian.

SAVED BY GRACE will share their Southern Gospel style at Bethel on July 16 at 2:00. Although the faces in this group have changed over the years, this vocal trio has been based in Vancouver for more than 50 years. They remain steadfast in their belief that they are called to “sing a new song” to those who have not heard as well as to remind believers that God is still working in lives today.

A simple reception will follow each of the concerts.
